

**El model  
de desenvolupament és  
Generador  
de creixement  
econòmic**

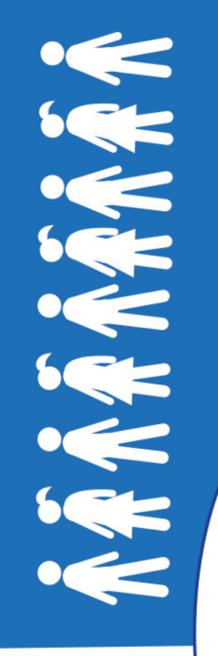

# Si la població mundial fos de 100 persones i la riquesa del món de 100 euros

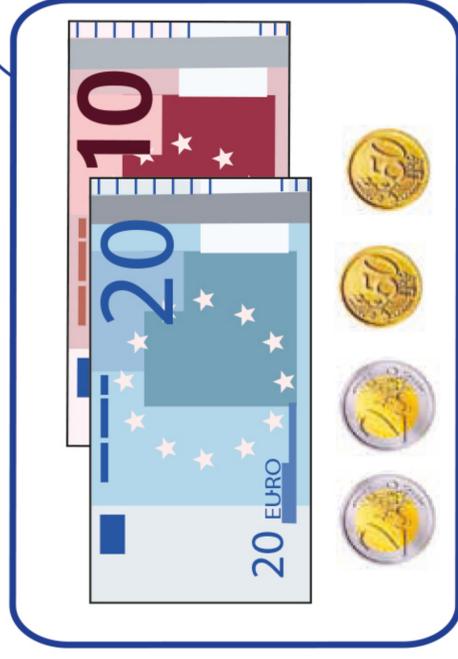

40 tindrien  
14 euros en conjunt

50  
es repartirien  
1 euro

9 tindrien  
35 euros  
en conjunt

1 disposaria  
de 50 euros
